COMPANY OVERVIEW

ANU Transportation Services LLC provides medical courier, healthcare supply distribution and last-mile healthcare logistics support for providers and partners across Georgia and the Southeastern United States.

CORE CAPABILITIES

Medical courier services

- Medical supply and patient-care product delivery
- Prescription delivery support, subject to requirements
- Urgent and time-sensitive healthcare requests
- Home delivery programs

Healthcare logistics

- Route optimization and scheduled delivery routes
- Inventory transfers and facility-to-facility delivery
- Facility-to-patient delivery coordination
- Same-day delivery requests, subject to availability

Pharmacy & distribution support

- Retail and mail-order pharmacy delivery support
- Healthcare inventory movement
- Specialized handling and cold-chain requirements confirmed with ANU before assignment acceptance

WHO WE SUPPORT

- Pharmacies and medical supply distributors
- Healthcare providers, hospitals and home health
- Hospice and government healthcare programs

DIFFERENTIATORS

Responsive coordination, flexible scheduling and healthcare delivery support shaped around the provider's receiving and handling instructions.
